A large, lattice-structured metal electricity pylon stands prominently in the foreground, with several workers in high-visibility gear perched on its upper cross-arms. A thick red arrow curves from the left, pointing towards the workers. In the background, a series of similar pylons recede into the distance across a flat, open landscape under a clear blue sky. The text "Is this you?" is written in a stylized, red, cursive font across the middle of the image.

Is this you?
